4.2 Utility Clause Matrix Revised 4/2013

Legend:

Mandatory (M) – When applicable these clauses shall be included in leases/agreements without any changes unless other party is prohibited legally from executing the document with the provision as written. These clauses are either: 1.) mandated by law; 2.) set by legal precedent; 3.) and/or established by FAA policy.

Recommended (R) – In general these clauses provide useful protection to the government. These clauses, or a modified version, should be used in all applicable circumstances. The RECO may tailor the clause to meet a specific situation. Changes that have legal impact require region/center legal approval.

Optional (O) – The RECO decides whether or not these clauses or a modified version should be included in the lease. Deviations from the suggested wording must have the region/center legal approval, if there is a legal impact.
