Contractor Qualifications

Section 5 : Prohibition Against Contracting with Inverted Domestic Corporations

(a) To be eligible for a contract award when using Fiscal Year 2006 through Fiscal Year 2010 appropriations, an offeror must represent it is not an inverted domestic corporation or subsidiary as defined under 6 U.S.C. 395 (b) and (c) and 26 U.S.C. 7874. Any offeror that cannot so represent is ineligible for contract award using such appropriated funds.

(b) Contracting Officers must rigorously examine known circumstances that would lead a reasonable business person to question an offeror's self-certification and, after consultation with legal counsel, take appropriate action when that questionable self-certification cannot be verified.

(c) *Waiver.* The FAA Administrator may waive the requirements of this Section if the FAA Administrator determines in writing that a waiver is required in the interest of national security, documents the determination, and reports it to Congress.
