

AMS CHANGE REQUEST COVER SHEET

Change Request Number: 12-35A

Date Received: 6/14/12

Title: Program Requirements Template

Initiator Name: Kimberly Gill

Organization Name and Routing Symbol: ANG-B1

Telephone: 202 385-7214

ASAG Member: Tim O'Hara

Telephone Number: 202 385-7146

Policy OR Guidance: (Policy)

Affected Section/Text Location: Appendix B: Acquisition Planning and Control Documents, Program Requirements Document

Summary of Change: This change updates the template to provide guidance regarding delivery of Program Requirements as a DOORS Module.

Reason for Change: This change fulfills the need of a complimentary database so that a relationship can be established between Enterprise level requirements and Program level requirements. This change also ensures configuration management of requirements through the AMS lifecycle.

Development, Review, and Concurrence: ANG, AEB

Target Audience: (Program offices, contracting personnel, investment analysis teams, and acquisition workforce.)

Potential Links in FAST for the Change: None.

Other Documents that may be Affected: N/A

Attachments: redline and final.

Briefing Planned: Yes.

ASAG Responsibilities: Review and comment.
