**Section 4.2.3.3.3 : Corporate Real Estate (CRE) Review and Approval**

FAA Corporate Real Estate (CRE) in ALO-200 will review and approve requirements and costs estimates for new or expanded real estate rights (land, easements, and space) for Air Traffic Organization (ATO) facilities and offices. The documents subject to review and approval include business cases, requirements documents, white papers, etc. Acquisition by the RECO of land and/or space is contingent on this justification.
