6.3.1 Training for Initial Certification Added 1/2015

All levels of RECO/Realty Specialist must submit planned training and development activities as part of the certification application process.

6.3.2 Training for Recertification or Job Specific Development Added 1/2015

After the initial certification is issued, the RECO/Specialist is given a recertification date. All RECO/Specialists are required to recertify every 2 years including receiving a total of 80 CLPs as outlined in 6.2.2. Requests for specialized training to support continuing competency development or job specific duties can be made using the ALO Real Estate Training Course Request form.

The Real Estate Group Managers will forward signed request forms to the Aviation Logistics Organization, Planning, Policy and Performance Division (ALO-200).

6.3.3 Training Prioritization and Delivery Revised 4/2015

Upon receipt of ALO Real Estate Training Course Request, ALO-200 will input the data into a spreadsheet with all of the fiscal year training requests. ALO-200 analyzes and prioritizes the aggregate Training and Development requests based on funding availability and organizational needs. On a monthly basis, aggregate analysis of the training requests will be reviewed with Group Managers to confirm the priority decisions for each RECO/Specialist individual training request in accordance with budget constraints and organizational priorities. Any changes made to priorities will be noted in the database.

The table displayed below summarizes how training requests for RECO/Specialists will be made based upon the receipt of the Training Request Form.
