## **5.2 Roles and Responsibilities** Added 10/2005

### **5.2.1 Real Property Management Officer (RPMO) (FAA Headquarters)** Revised 10/2008

The RPMO ensures that the FAA real property management program meets applicable legal and regulatory requirements. This responsibility belongs to the Senior Real Property (SRPO) Officer for the FAA. The RPMO serves as liaison between the FAA and other Government agencies. The RPMO is Mamie Mallory. She can be reached at 202-267-7369 or [mamie.mallory@faa.gov](mailto:mamie.mallory@faa.gov).

### **5.2.2 Real Property Manager (RPM)** Revised 10/2008

The Regional Logistics Division Manager serves as RPM for the Region and is ultimately responsible for all real property actions within the Service Area. The RPM is the Appointing Official for the Real Property Disposal Officer (RPDO) and the Internal Review Officer (IRO) and has discretionary authority to determine the number of appointed positions required, to identify the specific responsibilities of each appointee and to establish any limitations on appointee authority deemed necessary. The RPMs are as follows: Roger Lilley, Eastern Logistics Service Area (ELSA), Marcus L. Williams, Central Logistics Service Area (CLSA), and Therese Hower, Western Logistics Service Area (WLSA).

### **5.2.3 Internal Review Officer (IRO)** Added 10/2005

This is an optional appointment within the Regional Logistics Division made at the discretion of the RPM. When appointed by the RPM, the IRO conducts routine, periodic or event-generated reviews of property activity within the Region. The IRO will evaluate actions and processes to ensure compliance with published FAA guidance and to safeguard the interests of the government as well as the welfare of the public. The IRO may serve as Report of Survey (ROS) reviewing official in lieu of a fully constituted ROS Board when fraud or negligence is not indicated as a proximate cause of any loss, damage or destruction of government property. The IRO will not be in the direct chain of accountability or custody over property subject to his/her examination or review.

### **5.2.4 Real Property Disposal Officer (RPDO)** Added 10/2005

The RPDO is appointed by the Real Property Manager (RPM) to facilitate the Regional excess identification process, evaluate potential intra-Region real property transfers and to determine the final disposition of excess real property. When disposal activity alters real property balances shown in the Real Estate Management System (REMS), the RPDO will ensure that appropriate adjustments are made to the affected accounts. Likewise, when the disposal activity removes a facility from leased or owned property accounts or removes property rights, such as easements or restrictions, the RPDO will ensure that appropriate adjustments are made to all affected property information systems and data bases. The RPDO is appointed to act as approving official for final disposal of excess real property through demolition, dismantling, abandonment or conveyance under the provisions delineated in Public Law 103-272, dated July 5, 1994, (replacing the

Federal Aviation Act of 1958, as amended).

### **5.2.5 Personal Property Disposal Officer (PPDO)** Added 10/2005

The PPDO exercises management and control authority over personal property and real property component items (also referred to as related personal property) reported through the Utilization, Screening and Disposal (USD) system. FAA Order 4800.2c, Chapter 1, describes the responsibilities of the PPDO.

### **5.2.6 Real Estate Contracting Officer (RECO)** Added 10/2005

The RECO is an individual authorized by warrant acting on behalf of the Government in the preparation and execution of contractual agreements between the Government and other parties. The RECO is responsible for leasing land and space to support NAS operations, for securing title to land or buildings through purchase or condemnation proceedings, and for preparing conveyance documents to transfer ownership between the FAA and outside parties both public and private.

#### **5.2.6.1 Contracting Officer Representative (COR)** Added 10/2006

a. Designating a Contracting Officer's Representative. The RECO may designate an individual representative, such as a COR to facilitate administration of a lease or contract. The RECO will designate a representative by written memorandum describing the specific authorities and responsibilities delegated to the representative. The RECO should ensure that the assigned representative has adequate training at the time of the assignment or will receive training within three months of being assigned the responsibility. Based on the yearly anniversary date of the lease/contract, the RECO should also obtain from the appointed representative, an annual validation that the representative has participated in adequate refresher training during the year. The RECO provides a delegation memorandum to the appointed COR at the time the assignment is made or changed in any way.

b. Authority of the Representative. A duly-assigned representative is authorized to perform the actions delegated by the RECO. The representative of the RECO may assume the designated authorities when appointed, provided the COR has demonstrated adequate training. If the COR does not have adequate training at the time of the assignment, the COR may assume designated authorities for a provisional period, not to exceed three months, until completion of adequate training. While performing as a representative, the COR maintains current knowledge of the COR duties and responsibilities through formal training or other means and advises the RECO annually. The RECO should consider the specific requirements and needs of the lease/contract in determining the support required from the representative and clearly enumerate the authority granted to the COR in a written memorandum of delegation. A sample delegation memorandum is included herein. One memorandum of delegation for all situations may not be appropriate since contractual situations are distinct and have varying needs. Therefore, the sample memoranda may be modified to reflect the specific needs of the lease/contract and the RECO.

c. Changing the COR. To change the COR on a lease/contract, the RECO must revoke the previous delegation and issue a succeeding delegation to the new COR, Both of these memoranda must be in writing and issued concurrently.

d. Information to the Lessor/Contractor. The RECO furnishes copies of all memoranda of delegation, revocation, changes in authority, or re-delegation to the lessor/contractor to make them aware of the authorities and limitations of the COR. A sample lessor/contractor notification letter is included herein and may also be modified to reflect the specific needs of the contract and the RECO.
