INSTRUCTIONS

1. This form is authorized for use in the acquisition of supplies and services, excluding construction, in lieu of Standard Form 24 (Bid Bond). Any deviation from this form will require the written approval of the Administrator General Services.
2. Insert the full legal name and business address of the Principal in the space designed "Principal" on the face of the form. An authorized person shall sign the bond. Any person signing a representative capacity (e.g., an attorney-in-fact) must furnish evidence of authority if that representative is not a member of the firm, partnership, or joint venture, or an officer of the corporation involved.
3. (a) Corporations executing the bond as sureties must appear on the Department of the Treasury's list of approved sureties and must act within the limitation listed therein.

 (b) Where individual sureties are involved, a completed Affidavit of Individual Surety (Standard Form 28), for each individual surety, shall accompany the bond. The Government may require the surety to furnish additional substantiating information concerning its financial capability.
4. Corporations executing the bond shall affix their corporate seals. Individuals shall execute the bond opposite the word "Corporate Seal", and shall affix an adhesive seal if executed in Maine, New Hampshire, or any other jurisdiction requiring adhesive seals.
5. Type the name and title of each person signing this bond in the space provided.
6. In its application to negotiated contracts, the terms "bid" and "bidder" shall include "proposal" and "offeror."
